

Blockwise - Executive Summary Report

Perception of Safety - 52% of respondent indicated they felt mostly or completely safe. With 82% stating they would contact HCSO if they were a victim or worried about something. Expanded access to community perspective beyond crime data was shown with 77% of respondents indicating they had not reported a crime in the past 6 months.

With over 1,400 responses this month, the feed provides open text comments identifying general themes and specific issues and locations. **Theft, Burglary and Break Ins** was identified as the primary topic of concern followed by **Streets and Traffic**. This was consistent at the district level, except for District 3 & 4 where **Streets and Traffic** was the primary issue.
