# MORAL TURPITUDE

There is no universal list of which crimes constitute crimes of "moral turpitude" and which do not. Courts have decided this on case-by-case bases.

Moral turpitude is a legal concept in the United States and some other countries that refer to "conduct that is considered contrary to community standards of justice, honesty or good morals."

This term appears in U.S. immigration law beginning in the 19th century.

(Crimes involving Moral Turpitude are not limited to the below list)
